A PRIVATE RETREAT

Unwind in the natural beauty of a private retreat on the Loyalsock Creek, 10 minutes north of Montoursville, PA. Enjoy rustic luxury in a fully furnished 5 bedroom house that overlooks the crystal clear waters of a pristine trout fishing stream and a refreshing swimming hole. Settle in to a spot where the surrounding mountains offer prime hunting game lands and spectacular scenery. We are proud to offer the highest quality lodging available on the Loyalsock Creek.

Creekside Manor is the perfect setting for families, friends getting together, wedding related functions, out of town guests, offsite planning retreats, reunions, or romantic getaways.

The property is meticulously maintained while offering all of the comforts of home and more. Curl up with a book on the sofa in front of the stone fireplace in the cozy comfort of the living room that is richly appointed with wood harvested from the surrounding forests many years ago. Watch TV in the family room and enjoy the various station selections provided by the satellite dish or pop a movie into the DVD player.

On those summer days or evenings that may get a bit muggy from time to time, central air conditioning will keep everyone comfortable. During the winter months your comfort is assured with an oil fired furnace.

When it's time to eat, a full kitchen with all appliances, cookware, and utensils is at your disposal. A gas grill and smoker on the patio are available for the barbeques. For a real treat, we can recommend a local cook who will come out and prepare home cooked meals for one meal or for a week. The multitude of family owned restaurants in the area also offer superb food and great value for those times when you choose to go out for a meal.

You'll continue to enjoy the beauty of the creek as you sit down to your meals in the enclosed sunroom.

Creekside Manor has 2 full bathrooms and comfortably sleeps up to 12 people in its 5 bedrooms. All towels and linens are provided.

Most evenings in the summer, you will want to open your bedroom window to be lulled asleep by the soothing sound of the water rushing down the creek.

In addition to fishing, swimming, and kayaking offered right in the backyard of Creekside Manor, numerous other activity options are available in the local area to satisfy the desires of people of all ages. Specific activities, places of interest, and suggested day trips are available for review and consideration by guests.

Creekside Manor is available for weekly rentals from mid-May to early September. Long weekend or non-weekly rentals are available during the rest of the year.
